TESTS / *TESTS*
This product has been subjected to the electrical safety test for: continuity, insulation, dielectric strength.
Ce produit a été soumis à des tests de sécurité électrique : continuité, isolation, rigidité diélectrique et prise de terre.

DANGER–RISK OF SHOCK–DISCONNECT POWER BEFORE INSTALLATION / *DANGER - RISQUE DE CHOC - COUPER LE COURANT AVANT L'INSTALLATION:*
This product must be installed in accordance with the applicable instalation code by a person familiar with the construction and operation of the product and the hazards involved.
Ce produit doit être installé conformément au code d'installation applicable par une personne familiarisée avec la construction et le fonctionnement du produit et les risques encourus.

CONNECTIONS INSPECTION */INSPECTION DES CONNEXIONS*
To inspect the connections, disassemble the fitting by partially unscrewing the 3 screws. Take care of the position when you reinstall.
Pour inspecter les connexions, démontez le raccord en dévissant partiellement les 3 vis. En faisant attention à la position lors du remontage.

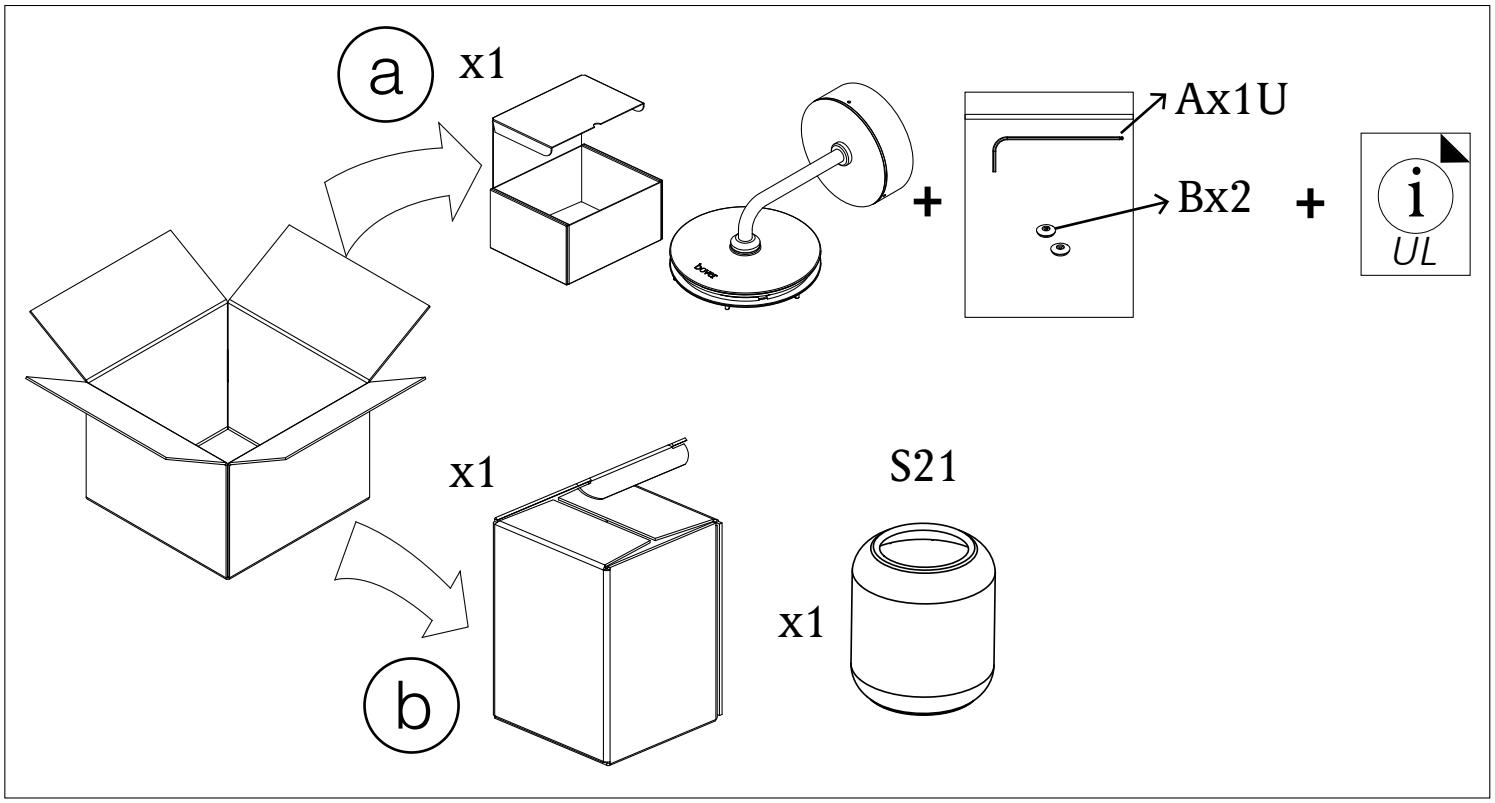

MAINTENANCE / *MAINTENANCE:*
Use a slightly-wet cotton cloth for cleaning.
In case of malfunction or damage, please contact the retailer who sold the lamp.
Utilisez un chiffon en coton légèrement humide pour le nettoyage. En cas de dysfonctionnement ou de dommage, veuillez contacter le détaillant qui a vendu la lampe.

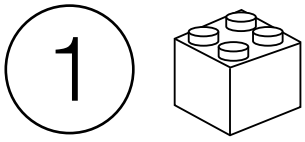

DIMENSIONS OF FIXING / *DIMENSIONS DE LA MONTURE:*

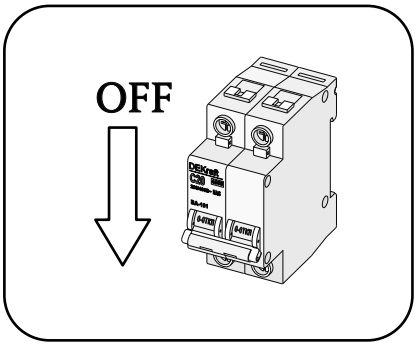

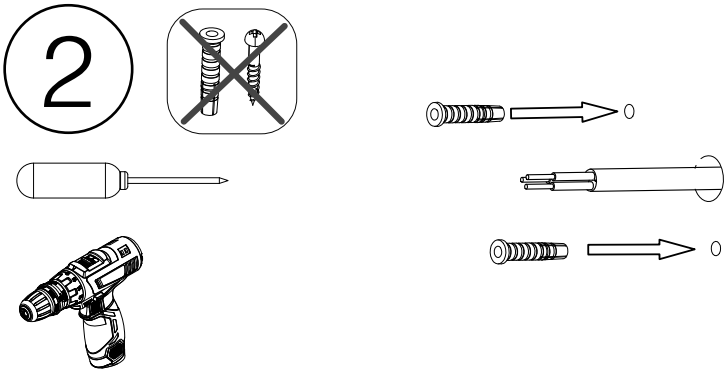

CAUTION: Due so many installing conditions, the water tightening of the bottom of the canopy is responsability of the installer. Take into account the installation surface. Avoid water accumulation and seal the perimeter exposed if needed. If using elecrical tubing, make sure that all fixing holes are sealed.

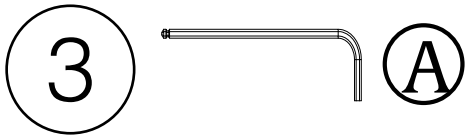

ATTENTION : En raison des nombreuses conditions d'installation, l'étanchéité de l'arrière de l'auvent est de la responsabilité de l'installateur. Tenir compte de la surface d'installation. Évitez l'accumulation d'eau et scellez le périmètre exposé si nécessaire. Si vous utilisez des tubes électriques, assurez-vous que tous les trous de fixation sont scellés.
